

New Book Release - Revelation Explained by KJ Soze

It has never been so important to know how foreseen Bible prophecies will become more visible as current events unfold.

NIAGARA FALLS, N.Y. - May 31, 2022 - [PRLog](#) -- The Book of Revelation is the most difficult book of the Bible to understand. However, it holds the key to unlock current and future events on earth. Learn how they unfold just as the angel stated to Daniel that the prophecies will be revealed in the last days.

Daniel 12:9 He [the angel] said, *"Go your way, Daniel, for the words are shut up and sealed until the time of the end."*

Revelation Explained answers the most difficult prophetic questions about the last days of the age we live in.

- Who is the Antichrist?
- What is Mystery Babylon?
- What is the Mark of the Beast?
- When is the Day of the Lord?
- Is the Rapture Mentioned in Revelation?
- Will Christians Go Through the Great Tribulation Period?
- What is the Sequence of Events in the Book of Revelation?

The solutions found in Revelation Explained are derived from the original Old Testament prophecies brought forth to the end of the New Testament. The symbology of Revelation will be easier to interpret once we see this thread woven into a close-knit pattern throughout the Bible.

This book will demystify Christ's final prophecies about the end-times. You will learn about the reasons for God's judgment upon the earth, along with many important characters such as the Beast, the False Prophet, and the Antichrist. After reading this book you will be able to recognize these symbols through their concealment.
